Sir:

Further to the Interview Summary faxed on April 12, 2006, Applicants believe that an Applicants' Statement of Substance of Interview is not required because the Interview was solely of a procedural nature and involved no substantive matters, i.e., it did not involve a discussion of the merits of the application, nor did it require a reconsideration of the claims. However, the Interview Summary states that Applicants must file a statement of the substance of the interview within a stated non-extendable period. Therefore, Applicants' submit the following statement in accordance with 37 C.F.R. § 1.133 and MPEP § 713.04, solely as a formality.

On April 11, 2006, Applicants' representative called Examiner Sharon Turner to request consideration of Information Disclosure Statement (IDS) Document AK3, filed February 15, 2005, and the IDS documents filed on February 1, 2006 in the above-captioned application. The Examiner kindly agreed to consider these IDS documents

Atty. Dkt. No. 0609.5200005/TJS/ELE

and to forward to the undersigned representative initialed copies of the IDS forms by facsimile.

In addition, the Examiner discussed the request for information made by the printer, and Applicants' representative authorized an Examiner's Amendment in consideration of the printer's request.

Applicants also provide the following information concerning the interview:

(A) Exhibits shown or demonstrations conducted: None.

(B) Claims discussed: None.

(C) Prior art discussed: None.

(D) Amendments of a substantive nature: None.

(E) Principal arguments of Applicants: None

(F) Other pertinent matter: None.

(G) Outcome: See *infra*, paragraph spanning pages 1 and 2; see *infra*, page 2, first paragraph.

Applicants' believe that the filing of this paper should *not* be counted against any patent term adjustment to which this application may be entitled, as the paper was necessitated by the Examiner's Interview Summary.

The Examiner is invited to contact the Applicants' undersigned representative at the number provided with any inquiries regarding this Statement.
